Dear Lawrence,

Thank you for your email.

We can definitely provide a quote for those. We would need to know the type of window which you can find on the actual window (please see screenshot attached). Once you let us know the code, we will prepare the quote for you.

I am guessing you would like a blackout fabric as the windows are in the bedroom but please let us know if you had anything else in mind.

If you have any other questions, please do not hesitate to contact us again.

Kind regards

Tamara
