Hi Audra,

It was nice to speak with you before.

Please see attached the photos of the roller fabrics I think are closer to what you had in mind. Normally the customer would visit the showroom to have a look at all the options but, as you live abroad, the process is a bit more complex.

Kitchen:

- Perspective Windspray Grey
- Perspective Shale Grey

Bedrooms:

The remaining ones are all blackout so they are all suitable for the bedrooms.

Once you choose the fabrics, I will check if there is any variation in price. I will also send you the information about the allusion blinds on a separate email.

Hi Audra,

I have had a look at the sample books and tried to take some photos to send to you but unfortunately, the colours look completely different on the photos. I would recommend that someone collects our sample books to decide. Also, please note that we were told to quote for perspective fabric in the kitchen, which looks totally different from the fabric on the blinds in your photos.

Please let us know if you have any questions.

Kind regards

Tamara

Hi Tamara

Thank you for the new quote. Do you need us to sign it again or the previous one is fine?

I have attached the bedroom colour scheme with the colour of the blinds. Something similar to that natural brown would be great. I have not been given any samples to choose from. Plain but with faint vertical stripes would be ok too.
