Hi Adrian would we be able to add a white venetian blind the same as the others for the cloakroom please. The window reveal size is 708 wide x 872 high (tight) The overall wall is 1205 wide x 1155 high (tight) I think it may look better to have the blind at the top of the wall the full width of the wall. It also gets round the problem of it hitting the handle if it's further out. Thanks
