Hi Kathryn,

We have looked into the options, and we believe the closest one would be the silver one (first in the photo attached). Otherwise, the third one is the same colour we have in the showroom. Please let me know which one you prefer, and I will place the order for you. Many thanks.

Kind regards

Hi Kathryn,

We have placed most of your order, but we need to confirm if you want the same colour on the fascia for the roller blind. I am assuming, as all the blinds are in the same room, they will all have the same but if you could please let me know, that would be great.

I have attached some photos of the fascia colours for your reference. Please note the size of the fascia is the wider one (70mm) and it would have two thin lines (top and bottom as shown in the picture with the black fascia).

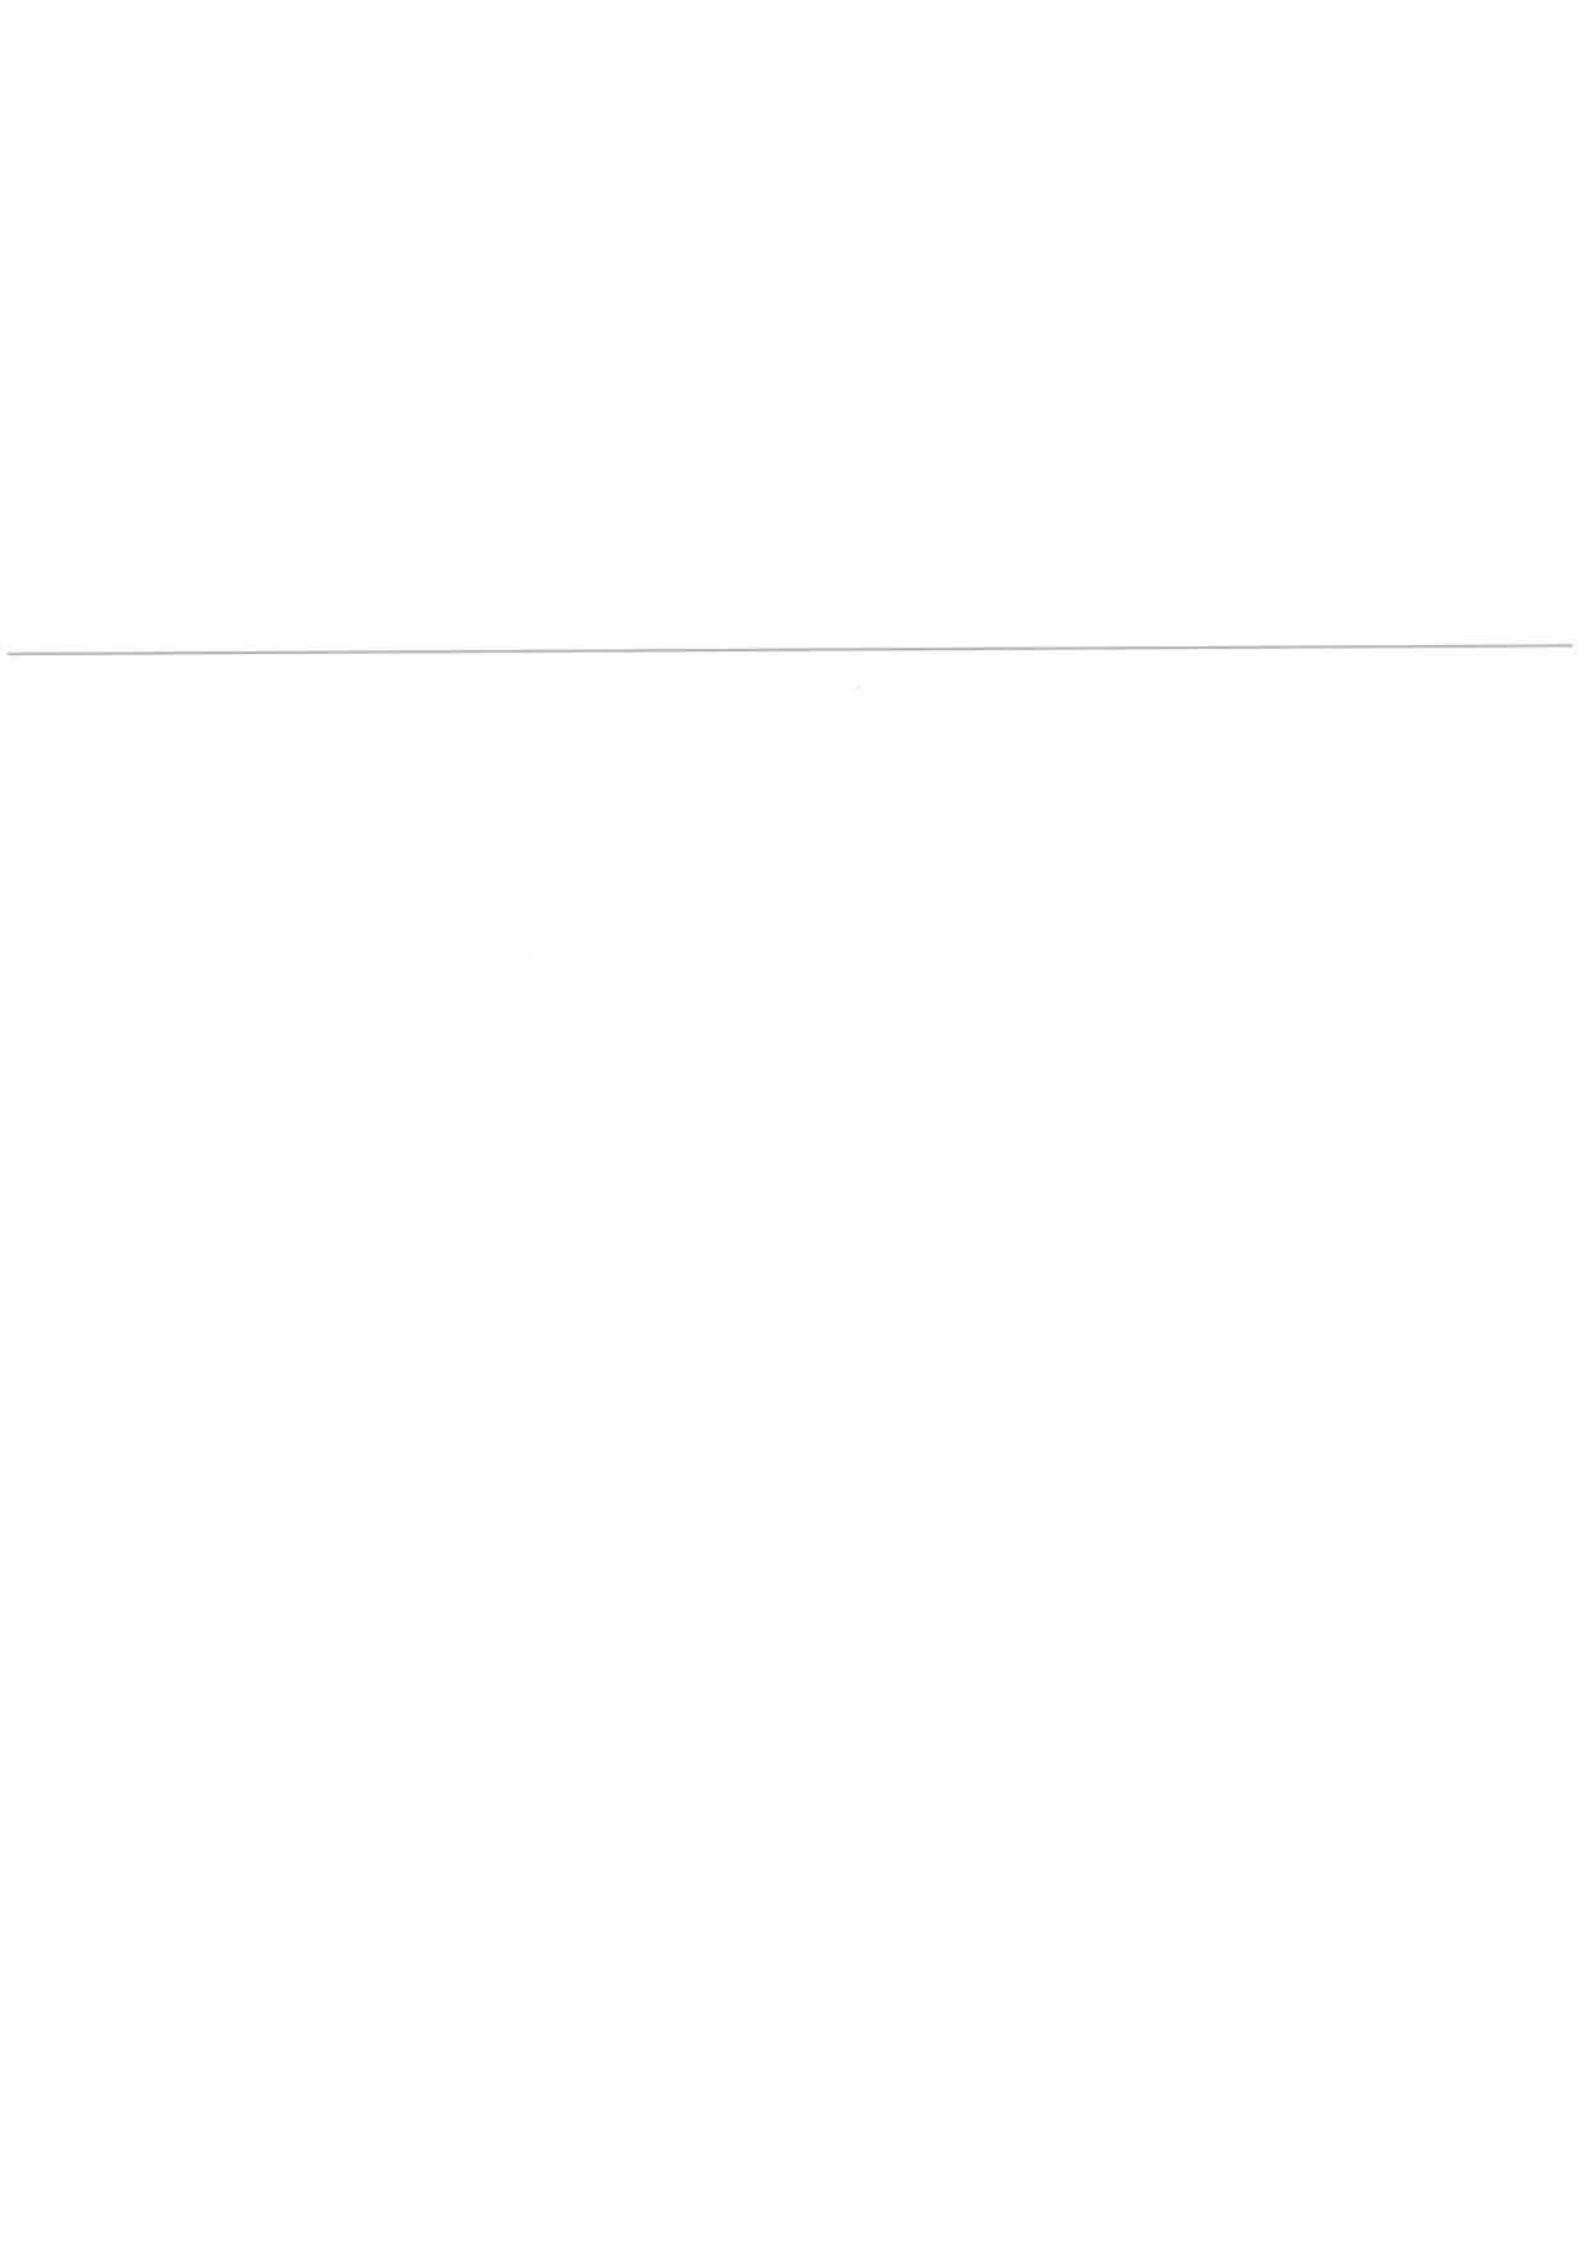

The colour of your Allusion tracks is Anthracite Grey.

I am looking forward to hearing from you.

Tamara
