

C42
Pebble

This block shows the top portion of a fabric swatch. It features a light-colored fabric with a diagonal ribbed texture. Below this fabric is a solid black rectangular area. Two small, light-colored circular markers are positioned on the black background, one on the left and one on the right. A white label with black text is located in the upper right corner of the black area.

CCN3
Oatmeal

This block shows the middle portion of a fabric swatch. It features a light-colored fabric with a fine, regular grid pattern. Below this fabric is a solid black rectangular area. Two small, light-colored circular markers are positioned on the black background, one on the left and one on the right. A white label with black text is located in the upper right corner of the black area.

C41
Pearl

This block shows the bottom portion of a fabric swatch. It features a light-colored fabric with a diagonal ribbed texture, similar to the top swatch. Below this fabric is a solid black rectangular area. Two small, light-colored circular markers are positioned on the black background, one on the left and one on the right. A white label with black text is located in the upper right corner of the black area.
