Dear Tamara,

Thank you for your email. Yes, you and the factory are both right, that would have been much too dark. So can we please go ahead with your suggestion - it looks much better. I think that after looking at so many combinations we got a bit bogged down! Many thanks. Have a nice weekend.

Kind regards,

Philippa Wery

Dear Philippa,

I hope this email finds you well.

The factory that is making your blinds has contacted us as they have come to printing them and think the selected colours may be too dark for what you are looking for (bottom image). I have had a look at this and remember you specified orange and natural tones. With this in mind, please see top image with what we propose instead. I have also attached a photo with the colours we have used (marked in blue). Are you happy to proceed with this? Please accept our apologies for the bad quality visual as we did this quickly in the showroom to speed things up.

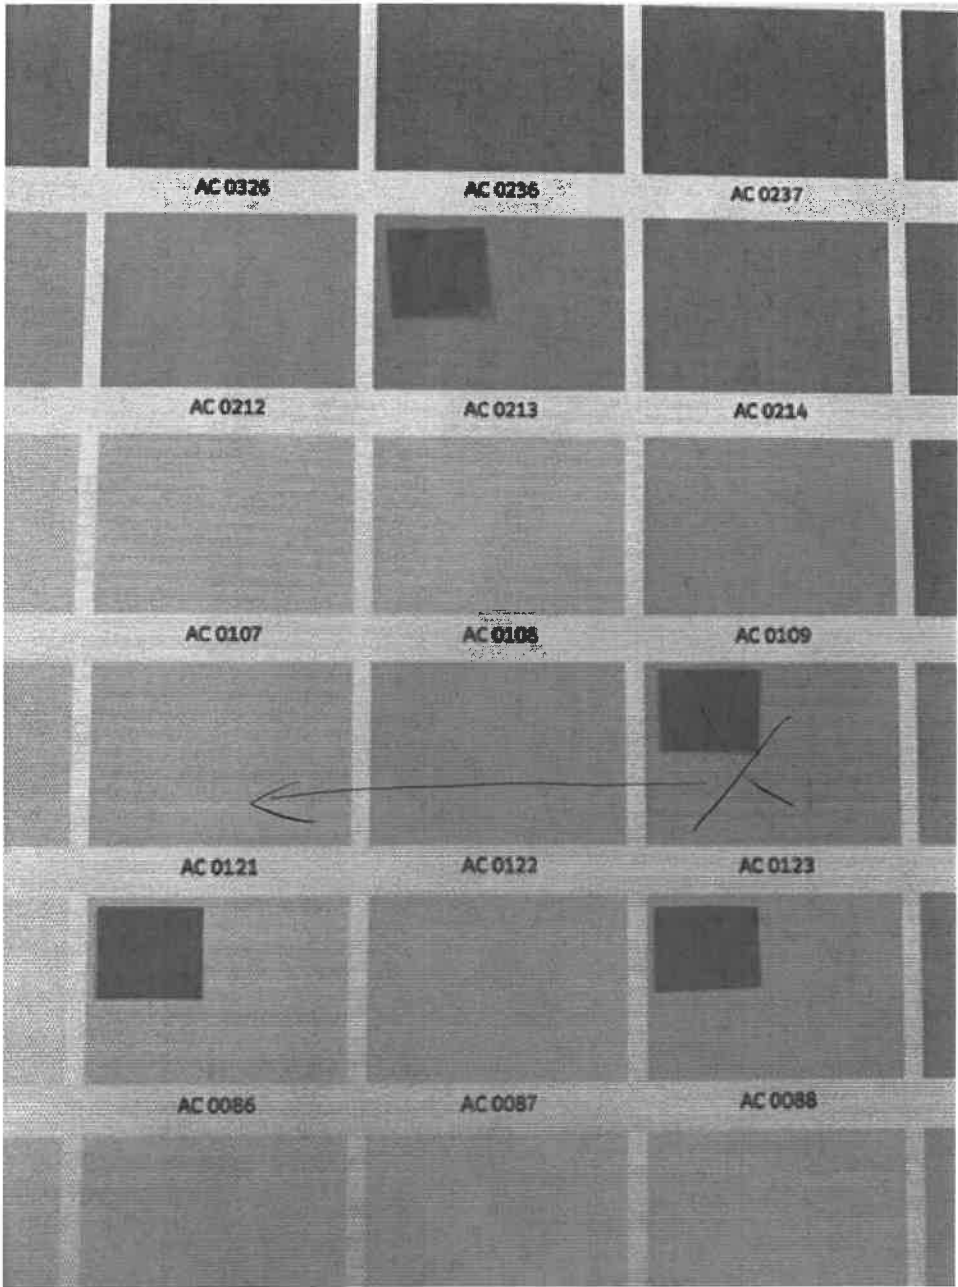

If you could please confirm at your earliest convenience, I will inform the factory so that they can continue the process.

Have a lovely weekend.

Kind regards

Tamara

Dear Dave,

Thank you for your email.

Could we please swap AC123 with AC0121? If you could please send us the amended visual for us to confirm, that would be great. Many thanks.
