Subject: SO13645 Williams - Armory Awning Arms - incorrect on fitting

Dear Luxaflex Team,

You provided with us below a pair of Armony arms for an awning.

We went to install today, but my installation manager Ben has advised the part that joins the front profile is incorrect size. The bolt we had did not fit.

Can you please provide me with some help on how to rectify?
Will re require a bolt kit (can you supply)? Or different arms?

Please advise ASAP

Kind Regards
Scotty
