Hello Tamara,

Thank you.

Yes that is correct for the voile. It should be approximately the same size as the other voile curtain in the study.

Many thanks,

Kind regards

Julie

Hello Julie,

I will amend the quote as requested. Can you confirm if you are happy with the voile being the same size as the roller blind (not floor to ceiling)? Many thanks.

Kind regards

Tamara

Dear Premier Choice,

Can you please review the photos from the attached order.
We have fitted 10 voiles in various rooms of a property. – **Ref: SO13692 LEVENTHAL**

The client has reported they not happy with the quality of the product.
After examination we think the bottom of the voiles have been damaged , possibly by a sewing machine in production? The edges are also not up to the quality we expect.

Can you please review and advise accordingly? I will need to update my client so I would gratefully appreciate your quick response.

Kindest Regards,

Scotty
