Hello Tamara,

Thank you for your email.

Please note that the separate price for the F2060.2 PVC turn-buttons is shown on quotation 25015 (item 002) and the price between a hinged screen or a screen supplied with alternative turn-button fixings is negligible to make any real difference.

Hello Tamara,

Thank you for your enquiry.

Please note that it appears you require a quotation for the Regal framed screen with turn-buttons in standard White finish (as attached images) but we have been experiencing serious shortages of components.

Therefore, we can supply the actual Regal framed screen but we cannot obtain the actual turn-button fixing in White finish (image 11) and can get them in Brown finish only at time of writing (image f2060).

Alternatively, we could supply the screen with hinges & magnetic catches if suitable ?

Look forward to hearing from you.

Kind regards,

Good morning,

Could you please provide a quote for a Fixed framed screen to be fitted on the outside part of the window. It would be the same as the one you provided for us last year (our reference number was SO12142, your quotation was 23936). We would require drop brackets as well. The measurements are 1300mm x 1260mm. Many thanks.

Kind regards

*Tamara*
