Good morning Yilmaz,

I hope you are well.

Could you please provide a quote for a flat pelmet in Panier ASC Clay to cover 3x roller blinds. The size of the pelmet would be 2305mm x 130mm. It would have to be made with the bonding material you normally use and have some Velcro at the top of it.

I hope this makes sense but please do not hesitate to contact me if you have any questions. Many thanks!

Kind regards

Tamara
