Good Morning Rob

Thank you for confirmation on these colours. Could I ask if you would like to go ahead with the fascia, or just the headrail? I've attached a comparison photo for you

Many thanks,  
Eliza

Good Afternoon Mr & Mrs Syvret

I hope this email finds you well.

As your apartment is nearing completion we will be placing the order for your blinds soon.

Before we proceed, please could you confirm which fabric and fascia colours you would like to go with? I have attached photos for you to choose from.

The fabrics cannot be classed as blackout however the darker fabrics (Graphite and Pewter) are better at dimming the room, anything lighter is not as affective.

The fascias do only come in three colours, if you would like to swap back to just a vogue headrail there are six colours to choose from.

Feel free to pop into our showroom before you make the decision, we have an allusion blind on display in Graphite with an Anthracite Grey headrail/fascia.

Many thanks,  
Eliza
