Hi Eliza,

Thank you for your mail.

I phoned you on Saturday but I was too late.

We stick to the colour parchment for the blinds, no fascias. As in the estimate.

The headrail in a matching colour with the parchment (light). We leave that choice up to you.

Kind regards,

Didy Cook

Good Afternoon Ms Cook

I hope this email finds you well.

As your apartment is nearing completion we will be placing the order for your blinds soon.

Before we proceed, please could you confirm which fabric and fascia colours you would like to go with? I have attached photos for you to choose from.

The fabrics cannot be classed as blackout however the darker fabrics (Graphite and Pewter) are better at dimming the room, anything lighter is not as effective.

The fascias do only come in three colours, if you would like to swap back to just a vogue headrail there are six colours to choose from.

Feel free to pop into our showroom before you make the decision, we have an allusion blind on display in Graphite with an Anthracite Grey fascia.

Many thanks,
Eliza
