Dear Rachel,

Thank you for the quotation, which is in the right ball park for our budget. My apologies for the delay in getting back to you, please note that Angela Duchesne has left the business.

I don't think that we need the blackout blinds for the toilet/shower room as this window has frosted glass and the curtain voile in front will, I think, give privacy.

It would be useful to meet on site now that the rooms have largely been built, to finalise what is needed and select fabric, I think my e mail of 27th September referred to a natural linen voile.

Please let me know when you will be available next week.

Kind regards,

Gerald

Good morning Angela,

Please find attached quotation for Spa treatment rooms in the department store. I have based the fabric costing on a medium weight wide width voile fabric however this is subject to your choice and price per metre can go up or down based on this.

If you have any further visuals or mood boards I could help narrow some fabrics down for you.

If you have any further questions, please don't hesitate to ask.

Kind regards
