Good Morning Abby

I have spoken to my servicing manager. He has advised the adaptors are round.

Can you please just re confirm that the Elero Motor you have quoted and the adaptor etc will all function with this shutter?

If so I can put a price together to my client and send quote and advise on lead time etc.

I'll wait to hear from you  
Thanks  
Scotty

Hi Scotty,

Please see below quotation ☺ Do you know if the adaptors are round or octagonal?

The Elero motor would be £196.00 with the new adapter as this would need changing too and the lead time on this one is around 6-8 weeks.

The alternative would be Nice Era Quick motor 15nm 17Rpm motor however it will have a different crown and drive. The price for this would be £147.00 with a lead time of around 2-3 weeks.

The Straps would be £75.00 for 10.

Delivery charges are £12.50.

If you need anything else please let me know.

Kind Regards

Hi! Scotty,

I am struggling to get hold of the exact Elero motor, I may be able to source this but lead time could be around 8 weeks. I will be able to offer an alternative but will need to send replacement adaptors. Could you please confirm the tube size so I can provide you with the costings?

Thank you

Kind Regards
