Hi Chris

Just emailed my client. I will let you know when they confirm.

I need to arrange for the glass for the order on 27.10.22 to go to Guernsey please.
We are doing the job over there and having WEINOR send the structure to the client there.

Would this be possible?
Please let me know and I will give you the delivery details.

Ps – if Newlands accepts the price you just gave me, we can arrange for it after the Guernsey drop off once the stillage is returned to you.

Would that be ok?
Ps – we need to collect the stillage next week, you are aware 😊
