Subject: SO13880 Coiffique - issue with guide wires with 1 x blind
Attachments: Coiffique guide wires.jpeg

Dear Luxaflex

You currently have 1 x roller blind being re made for us ref: SO13880 Coiffique for Bedroom2, Apt 11. You have advised on a delay, due dispatch 13/2, no problem.

But I have an additional issue with 1 of the blinds in Apartment 10

 Roller blind 1 Bedroom, 830, 2130 , N/A, with cassette and white side guides, in a Sirius Screen 6556 fabric.

The guide wires for the blind are not long enough, this is how the blind arrived. (Please review photo attached)
Can you please send me some replacement guide wires on the same delivery so we can complete the job.

Kind Regards

Scotty
