Hi Adrian,

Thank you for the enquiry.

We can quote to manufacture your side curtains with eyelets to the top and sides.
However, we do not supply curtain track.

The cost to manufacture your 3 curtains from 610gsm PVC Polyester with eyelets to top and sides would be £936.50
+ VAT & Carriage

Kind Regards

Hi Chris

Please can you quote for the curtain sizes below, these are approx. and will require curtain tracks also :

All are single curtains ,

5300 mm W x 4300 drop

3500 mm W x 4300 drop

6800 mm w X 4300 mm drop , made up of 2700 mm then if at all possible a 30 degree(approx.) bend then continuing .

Having dealt with tracking bending in the past, if the bender can do 90 Degrees, it can be stopped after 30 degrees to achieve the required slight bend.

Any further questions , please do not hesitate to call me directly on 07797715454

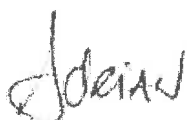

Many thanks
