Hi Tamara,

Thank you for your email.

No, there won't be a price difference, however this system only works with recess sizes, as the frame will be made to those sizes and we will make allowances for the blind to fit within the frame.

Kind regards,

Duarte Gonçaves

Good morning Duarte,

In regards to the above quote, I have just been told if they decide to go ahead with it, it would be blind size and top fixing, would there be a difference in price? Many thanks.

Kind regards

Tamara
