Hi Tropical

**SO13940 E203 Lora - URGENT Re makes in WHITE required**

Went to fit these today, 2 x more brushed aluminum headrails. One was damaged as advised on previous arrival, you granted a remake.  
Gone to fit today and totally unusable. They are jamming and cannot run, same issue as previous.  
My client wants them re made in **WHITE** please.

Can you action these and dispatch 2 x remakes for the below, this week to get here for latest Friday please? We aim to fit on Saturday. My client has delays on the tenancy now as no blinds in the house.
