Hi Claire

Just to confirm

It's the end pieces / caps we need – it is for the smallest awnings – Ben is asking for. Should be 4 x pieces (2 for each side) for this awning / screen.

Can you also ensure the screws are in the box when sent

Many thanks
Scotty

Hi Scott,

All looks like what was supplied was correct, I have sent the information over to a colleague in Belgium to look at and will come back once they have reviewed.

Hi Claire

Ben has just said – we tried to fit the ones you sent down but it covers the zip. We had one small end cap that worked perfectly from our stock – it was narrower – we need these ! wider ones cover the zip.

Thanks
scotty
