Subject: SO13692 Leventhal - fabric issue on rollers

Good Morning Tropical

Please can you review the attached order and photos? We went to fit yesterday the roller blinds and discovered

marks on the fabric.

In the photos you can see the patchy marks, it is not dirt or anything that can be rubbed off, but an actual flaw. This applies to both roller blinds.

If you can please update me once you have reviewed as I will need to update my client.

Kind Regards and Many Thanks,

Scotty
