Thank you Tamara

I accept the invoice as quoted for the kitchen curtain and blinds.

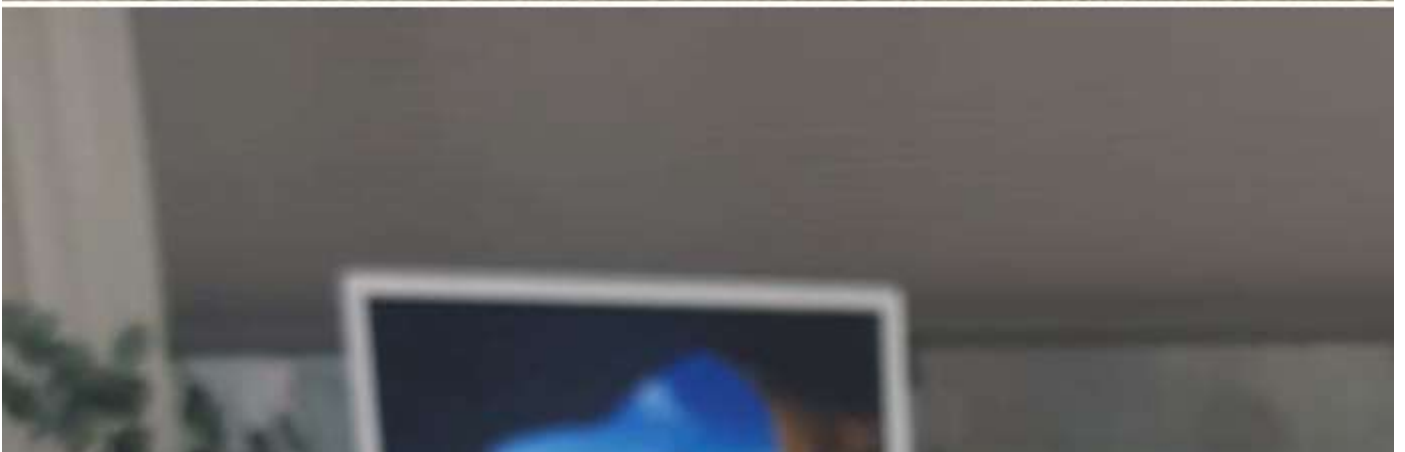

Please confirm once you have spoken with Adrian as I'm open to any alternative that gives additional privacy during the day.

I would like the grey pole please.

Dear Wendy,

Please find attached our quotations for the supply and fitting of some blinds and curtains in the kitchen and living room.

We have prepared two different quotes to make it easier. The first one is for the kitchen for which you have chosen the fabrics (Roman blinds and voile), and the second one for the living room. Please note that we have quoted for a standard pole (please see photos attached) for the voile in the kitchen and standard rings for your existing pole in the living room. In order to give you an accurate price, you would have to choose those as well.

I have also enclosed a few photos for some other fabrics I have found and thought they might of your interested regarding the curtains in the living room.

If these quotations are acceptable, the next step would be a 50% deposit payment, when received we will send an order confirmation and expected delivery date.

Please note an order will not be placed until we receive a deposit.

As we no longer accept cheques, our BACS details are available at the foot of your quotation. Alternatively, please call the office on 01534 768141 if you'd like to pay by card.

We look forward to hearing from you soon.

Kind regards

*Tamara*
