

DELIVERY OPTIONS

All Ted Todd floors are stocked at our Cheshire Headquarters, which means that we can deliver them to you the **next day** if you **order before 2pm***. We also offer **free standard delivery on orders over £500**, to reach you in 2-3 days.

Our **Woodworks floors** are **handmade to order** so will take a little longer.

Our artisans craft them by hand in our Cheshire workshops, so they're more than worth the wait.

All of our floors are **available to order for international delivery**. We offer a door-to-door or UK-to-local port service, air or sea freight, with all documentation provided as required by local jurisdiction. You can find out more about **lead times** and **delivery costs** by calling our specification team on **01925 284494**.
