This order acknowledgment is being issued with the most up to date information available at this time.
Lead times and material prices are very volatile due to global material shortages and ongoing logistical problems.
Aluco cannot accept any consequential loss claims should delivery dates be extended.

The dates issued are given with the best of intentions and are accurate at the point of being issued.

We will endeavour to keep you informed of any delivery date changes as and when we ourselves are made aware by third parties.

If orders are cancelled due to extended delivery dates there may well be charges applied for aluminium and glass that cannot be cancelled by Aluco
