Note:

- We are uncertain of whether the wall has insulation on it or not but this construction will need a firm backing to it.
- We can only offer the Terrazza Originale L, The Pure will not work with a wall offset.
- Due to the wall offset and the angle of the Terrazza, there will be a slight slope on the 1650mm wall as the roof angle comes forwards. This is a note so that it is not forgotten when taking final measurements on site.

Dear sir or madam,
