ADDITIONAL INFORMATION:
Fabric should have arrived in 2 pieces for this part of the order. I had requested drop info from Premier Choice because tight on current stock fabric, hence splitting the lead times for different rooms, drops of 2.8m were required so there should be 4 x 2.8m Drops allocated for W01 and 4 x 2.8m Drops allocated for W02, these are sat directly next to each other and will be touching so make sure they are identical please. There will be 12 x 2.8m drops allowed for in W20. Please continue to work on and dispatch items when ready as more items are pending final measures. 60/120mm (double fullness) wave. Silent Gliss headed tape (with double pocket) fitted to top of fabric. QUOTE REF 3372/10
