Tamara,

Thank you again for your patience this afternoon.

Following up, we will go

- Roman blind black out with a remote for the girls, ✓
- can you make seat cushion as per the attachment to go below the windows? ✓
- Venetians for the bathroom (remote?) *No*
- could you check with Adrian if Roman would work in the back of the top bedroom? I suspect the challenge is a the door to the garden.

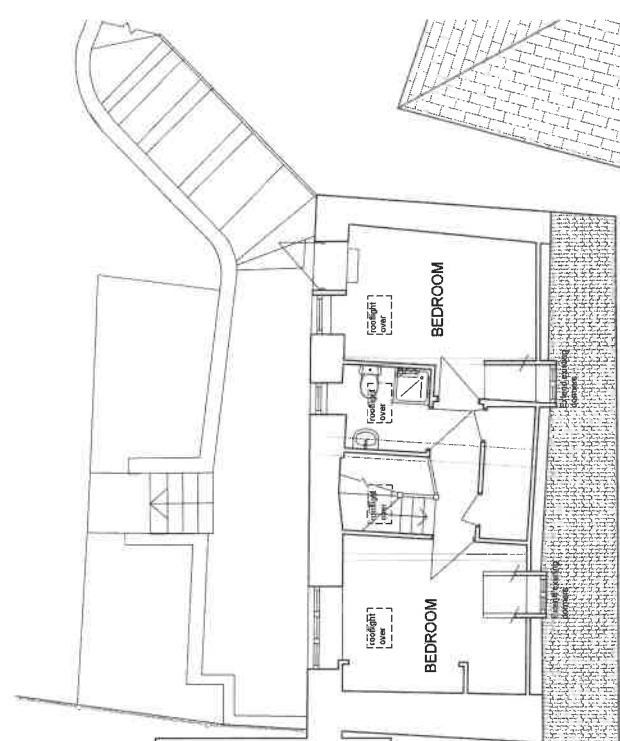

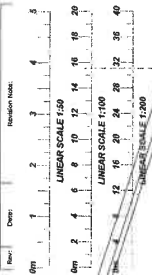

I will send you the plans for the ground floor in an another email.

Kind regards,

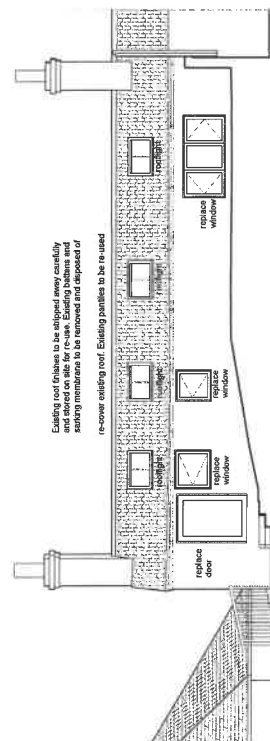

Aurelie
