Dear Rachel

Many thanks for your time to discuss the Renson pergolas.

Could you please provide budget costings for the two attached projects:

Project 1 6.0 x 4.5m Algave
Surface surround will be porcelain paving on a concrete sub-base

Project 2 3.5 x 3.0m Algave
Surface surround likely to be Millboard decking

Could you please also advise on the following:

- Heating and lighting options for both projects
- Type of screen/fabric for the automated sides
- Spec for electrical supply requirements

Any queries, please feel free to contact me on 07797 728 481 or email me at studio@aghgardendesign.com

Kind regards,

Alasdair
