Good morning

Please see factory query below for the above EDR

Review your photos again, it seems like just the top and bottom frames size made incorrectly, so we suggest to replace top and bottom frames only OR replace one of the panels, okay?

IF OK. Attached is original MO size spec for your reference, please double check carefully and advice below:
1: if to replace top and bottom frames only, please advice your wanted inner size or outer size of top and bottom frames to proceed.
