Subject: Measure Up

Hi Leeana, Adrian

We need to replace the downstairs blinds at our office in Hope Street.

We'll be doing some wall painting so I don't know if we should do that first but the blinds definitely need doing.

Subject to pricing I like the idea of the Somfy electric blinds and we just want a light cream colour really. We don't want to cut out light just make sure overnight they are not see through.

Simple fabric roller blinds would do the job too which is a back up option if pricing above "budget" on something more fancy.

Please let me know which sales person to deal with directly if that is easier. Or if the job is too small then obv's don't be scared to say no thanks.

Have a great weekend.

Luke
