Hi Antoine,

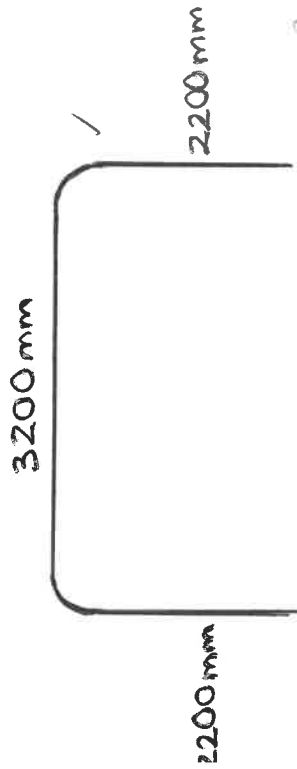

I hope you are well.

Apologies for the delay in getting back to you. We are trying to prepare a quote based on the same curtain style we made for you in the past.

Unfortunately, our curtain makers have requested a photo of one of them to be able to prepare a quote.

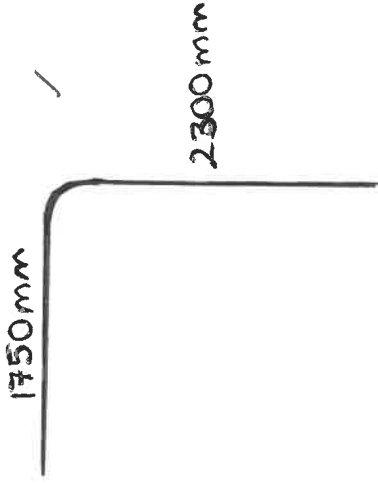

I have copied in my colleague Scott as he organises the diary. Ideally, we would like to pop in at some point to take a quick photo of one of the existing curtains. If you could please liaise with him to get this organised, that would be great.
