Dear David and Nicola,

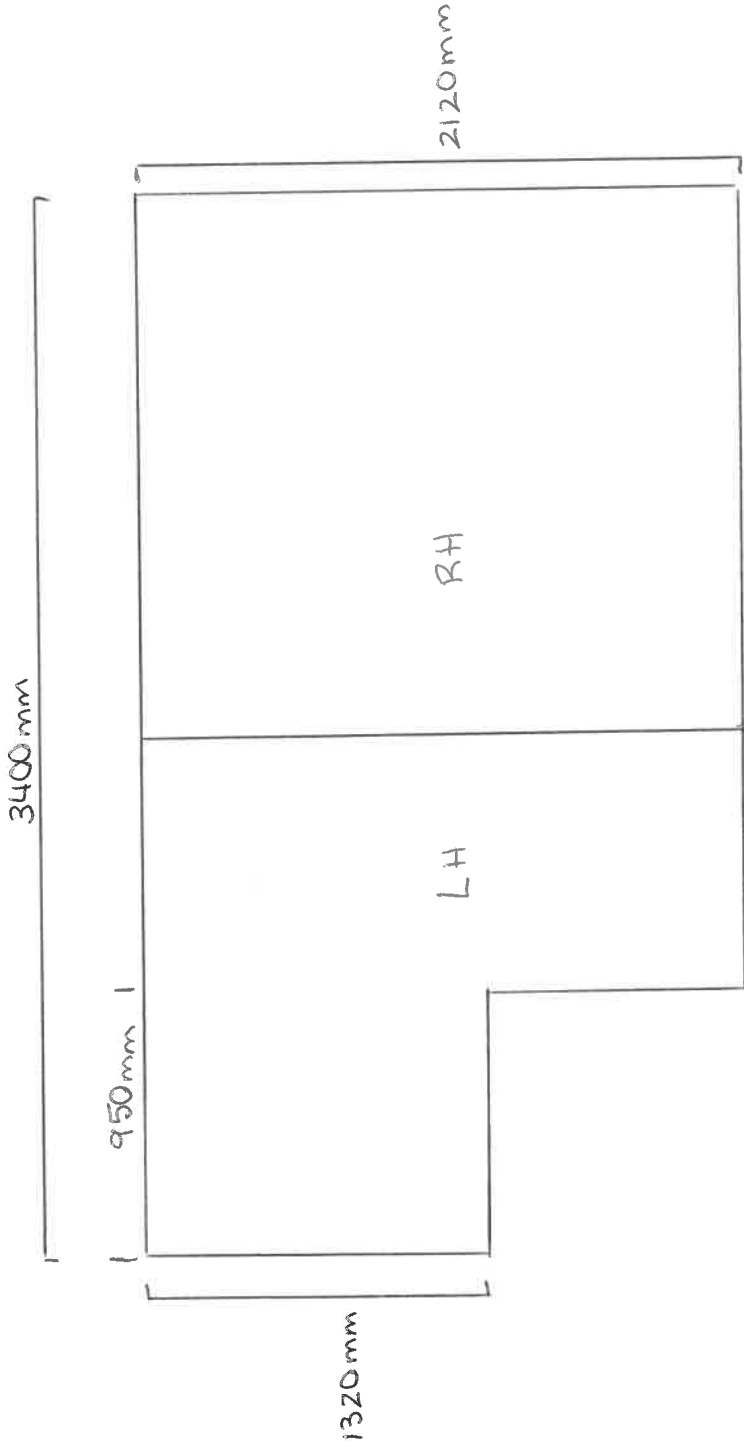

I hope you are well.

I have prepared the final quote, as requested, but before I send it, could you please confirm how many rings you have per pair of curtains? The reason for this, is that the curtain makers allow one double pleat per ring, and we want to make sure you will have enough rings, or that they will make enough pleats for your rings. They can always adjust the space between pleats.

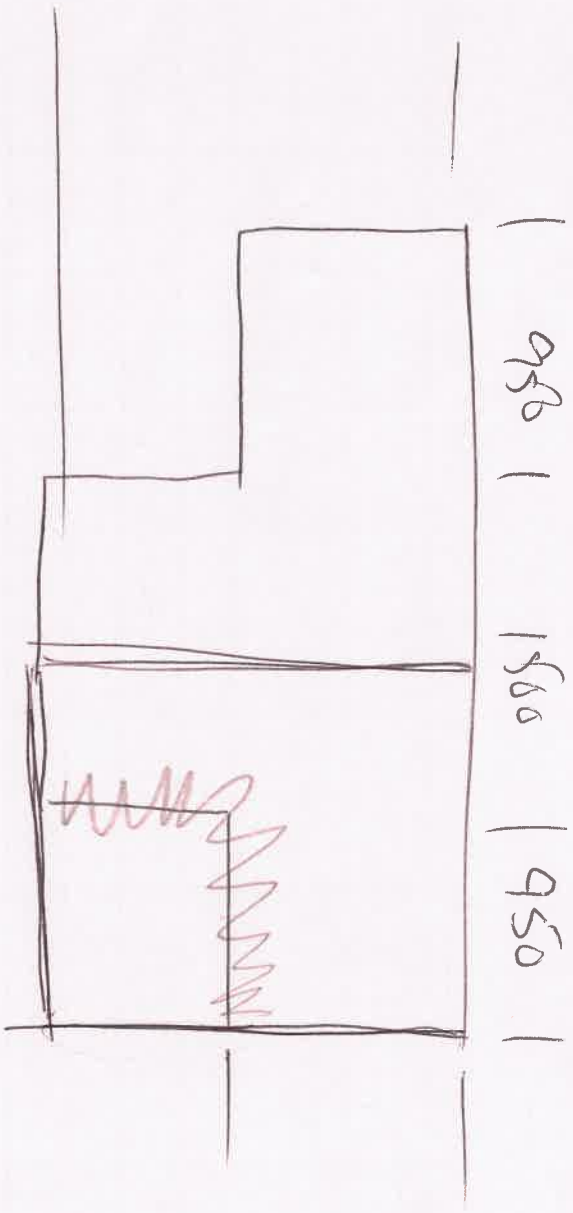

As soon as I have this information, I will check with them and will send the quote through. Many thanks.

Kind Regards
