I am enquiring if you would be able to send me an estimate for the above mentioned track please? I only have a lightweight voile to hang and I have attached a photo of the top of the voile.

As mentioned, I would like a flush end cap and the track will be white. Also, I may also look at purchasing two white aluminium draw rods (1 metre).

The approximate measurements for the track including the overhang on both sides of the window is 3.50metres.

~~3700mm~~

Kind regards
