Good Morning Sylwia,

Lovely to speak with you on the phone earlier.

Please find attached the updated quote as discussed. You will notice a difference in the price of the blind, and my apologies for not noticing before I called you, but the perforated cream material is in the price Band B, whereas I originally quoted for a Band A material which was based upon another previous order for you. If this is okay, please let me know and I will send you the invoice for the outstanding amount and place the order for you. If you would like to keep the original price however, I can recommend a Band A material that is the same colour but is solid slats and not perforated.

Please let me know how you would like to proceed.

Many thanks,
