Hi Tamara

Thanks for meeting with me today.

These are the fabrics I picked out for the windows in the order they appear on the quote:

BC?
Downstairs bedroom vertical blind (one blind not 2 as discussed today please and not blackout) - Style Studio - Palette Calico B, or Ribbon Cream C or Chenille Cream?
Downstairs living room W1 and W2 - duette - Papyrus Downstairs living room W3 - decided not blackout so would need to look at samples again please.
Guest bedroom - blackout - Style Studio Angora C Bedroom 1 - vertical (not blackout) - Style Studio - Chenille Cream C or Find your Style, Voile Cream or Ritz Ivory? ✓
Sunroom windows - all - Solatex Alu 3% - White Dining room windows - all - Solatex Alu 3% - white - I see that the first quote I had was for Solatex but that the second (which I got after choosing from the samples) is for Galaxy Focus so do I need to reselect?

As discussed I would just like motorised blinds for the 3 larger sunroom windows please (W3/4/5) and the 2 3? windows in the dining room.

Many thanks

Janne

Spoke with Adrian about it as Universal Contract Rollers are not available with fascias, also they might not be available with Tropical anymore.

In this occasion, to avoid a huge jump in price, we quote keeping the price from Tropical for Solatex (Universal Contract Rollers) and add the price for the fascia and motors for motorised option

 Price for fascia

Hi Tamara

Thank you for clarifying this and sending the complete quote. I was away last weekend and only now had time to look at it properly.

The cost of the large duette blind is concerning me so I would like to discuss alternatives please and I have decided I would prefer a vertical blind in Bedroom 1 and in the downstairs guest bedroom (currently 2 roller blinds in blackout). I would also like to come in to look at colour options etc.

So can you tell me the best time to do this please - it would be good to discuss it with Adrian if possible?

Kind regards

Janne

Hi Janne,

Please see attached the complete quote.

I have checked the price of that blind you mentioned, and it is correct. The difference in price is due to the size (more than double the size than the other Duettes we quoted for) and also a slightly different system. I can always check other options and let you know.

If you have any questions at all, please do let us know and I will be happy to help.

Kind Regards

Tamara

Hi Tamara

Thank you for sending this. However, Adrain also measured for blinds throughout my sun lounge and in the dining room but they are not included in this quote.

Also is the figure £1033 correct for the downstairs living room? It seems a lot more than any of the other blinds quoted for.

Many thanks

Janne

Dear Janne,

Please find attached the quote for the supply and fitting of some blinds. Please note that there are other options available, so if you would like to discuss other options, please do not hesitate to contact us.

If this quotation is acceptable, the next step would be a 50% deposit payment, when received we will send an order confirmation and expected delivery date.

Alternatively, please call the office on 01534 768141 if you'd like to pay by card.

Please confirm that you have received this email as we have been having some issues.
