Dear Customer,

We herewith confirm your order based on the dimensions specified by you.

**IMPORTANT:** With immediate effect, you can technically release your orders from the weinor E-shop yourself and will be provided with a delivery date immediately. Moreover, it is possible to stop orders in the weinor E-shop independently up to a specific production point.

Trust in fast and safe in the future: Orders possible via the weinor E-shop are processed faster. Additionally, errors are virtually ruled out. The system instantly checks and confirms your configuration for technical feasibility.

Please observe that we can only name a likely delivery date after your final release. Each change requires re-engineering, thus extending the delivery period.

Please also take into account that changes to an order after release cause costs which we may have to pass on to you.

Please send the release to our telefax no.: +49 221 59709-83602 or by E-mail:

Ok I'll go with the option 2 at £2400 incl GST  
How long to obtain the parts?

Hi Mr Drew

I hope you are well.  
I replied with the below last week. Please see:

Hi Mr Drew

I have just had a chat with Adrian and Ben and we can offer a fixed price for the full repair/change over Option 2 for £2,400 inc GST  
This would cover all of the time we feel will be required to complete the full change over.

Would you be happy to agree on this price?

Kind Regards,  
Scotty

Disappointed to hear that.

When you say 4-8 hrs presumable that is a total of 8 to 16 hrs which means at £69/hr+5% £579.60 - £1,159.20 with no upper limit on the hours.  
So parts at £1,481+ 5% means total between £2134.60 - £2,714.20.

You are asking me to take all the risk on how long it will take – in fact if you have a problem you could bill more.

I really would like to have the total replacement and app use but not for an extra £2,000

I'll go to the £2134.60 fixed price then if you do it quicker you benefit. If it helps I'll be totally flexible about when you schedule (except we are away w/c 30 October for that week).

Please let me know your decision.

Thanks

Peter

Good Morning Mr Drew

I am following up from yesterday's conversation regarding the price and options for your sottazza and system.

You asked if we could possibly agree on a fixed price of £2,000 but after discussing with my manager we cannot accept as the cost of labour and may exceed this amount proposed.

There is also chance we may finish quicker than expected so may work out less than this amount which will work in your favour. These projected works are difficult to give exact times for, hence the window 4-8 hours approx. time given.

Option 2 - £1,481.44 for supply plus the addition of labour - £69.00 per hour per fitter for the estimated time 4-8 hours still stands, but as mentioned, it may work out quicker time wise, it is hard to be certain before we commence.

---

I will look forward to hearing from you, and if I can be of any further assistance, please do let me know.

Kind Regards,  
Scotty

Hi Mr Drew

If you replace the receiver now then decide to change all over – it would mean replacing everything.

I hope this helps

One final (I hope) question.....

If we go for option 1 and at a later stage want to go for the full kit would we just have to buy 2 receivers or start all over again.  
With that answer I can then decide.

Hi Mr Drew

Regarding Option 1 – it will be a product issue not a wiring issue my installation manager has advised – the new receiver should resolve this issue.

Regarding Option 2- You can have the app system and wall mount at the same time.

Kind Regards,  
Scotty

Re: option 1: What if it doesn't resolve - presumably that would mean it is a wiring fault...?? Could you check that with Weiner. If that was to happen would I have to pay for the receiver and then for the wiring as well.

With option 2 can one only make changes from the app - no wall mount or wireless?

Dear Mr Drew

I have been liaising with my head of installations and Weinor our supplier and we can offer the following in assistance to resolving the ongoing issue with your sottazza.

Option 1: Replace the receiver for the sottazza - £631.50 + GST – Supply & Install

Option 2: We have spoken to Weinor and due to the age of the system and more up to date components and enhanced technology, we would have to change the whole system including motors, receivers and wiring which would work on a Tahoma system – which is the app style you have requested.

The price for this would be £1,481.44 for supply plus the addition of labour - £69.00 per hour per fitter with an estimate of 4-8 hours work for 2 fitters. We would need to totally dismantle the sottazza unit, change the wiring and motors and receivers and re program etc. This will also link the lights into the system.

If you would like to consider and let me know your decision at your earliest convenience, I will be happy to assist further,
