Dear sir or madam,

we are pleased to send you this offer.

Thank you for your query. We would like to offer following items, according to our general conditions of delivery and payment and subject to a concrete assessment of the technical feasibility.

Please be advised that this quote is based on a rough planning.

For the final order an exact site measuring with a detailed planning will be necessary. Therefore dimensions and prices may vary slightly.

We hope we have been of help with this offer and are pleased to issue the order.

Please feel free to contact us at the telephone number below if you have any question.

Kind regards

i.A. William Abbott

-----	----------	---------	-------

depends on which gearbox is fitted.  
 Calculated with "standard motor". With the freewheel gearbox, the fabric shaft must be shortened by 14 mm. For the bevel gearbox 10 mm. Furthermore, the hole in the floor profile where the gearbox axle goes through to the outside, is also required. The width of the existing cloth should fit despite the shortening of the cloth shaft. Nothing needs to be adjusted here. (shifted slightly)  
 Dear Customer,

We herewith confirm your order based on the dimensions specified by you.

**IMPORTANT:** With immediate effect, you can technically release your orders from the weinor E-shop yourself and will be provided with a delivery date immediately. Moreover, it is possible to stop orders in the weinor E-shop independently up to a specific production point.

Trust in fast and safe in the future: Orders possible via the weinor E-shop are processed faster. Additionally, errors are virtually ruled out. The system instantly checks and confirms your configuration for technical feasibility.

Please observe that we can only name a likely delivery date after your final release. Each change requires re-engineering, thus extending the delivery period.

Please also take into account that changes to an order after release cause costs which we may have to pass on to you.

Please send the release to our telefax no.: +49 221 59709-83602 or by E-mail:  
 freigabe@weinor.de

Many thanks!

Your APPROVAL: .....

weinol  
Quote price on  
Manual gear boxes  
££ bank  
handly

Good Afternoon Nathan

My team have been working on the awnings, getting the covers changed, we are almost there.

It was advised to you on our quote that some of the motors may need changing. We have found that x 2 will need changing and ordering from our supplier.

The total cost of the motors will be £1,161.65 + GST

They would take approx. 2-5 working days to come down.

If you would like me to proceed and order them please let me know at your earliest convenience and I can get them shipped and when arrive, fitted right away and we can come and fit the awnings.

I look forward to hearing from you.

Kind regards,

*Scotty*  
Ruderham

**Subject:** RE: Motors - Info Required

**Importance:** High

Hi Scott,

Following on from the email below with your price, it appears that there has been a system error and this On Hold order has been received by the warehouse and prepared for shipping today.

I am trying to intercept the parcel before it leaves, however, the warehouse set up is huge so this may not be possible!

We have a couple of options, once you receive the motors should you not wish to go ahead with these motors we can arrange a return to stock and full credit note, or, if your customer goes ahead you will receive a credit note as the invoice is showing the non – set total cost before the Channel Manager had set your price of £232.33 each ex vat

My apologies, this is a one off incident but we will get sorted for you!

Kind regards

Hi Marie

Thanks for this

Can you keep on hold please as we will need them as I said – just need my client to confirm price once you send over.

I will await to hear back once Stuart has advised

Thanks  
Scotty

Hi Scott,

The price is incorrect as we discussed last week you do not have a price for these motors so our system defaults to what you can see below.

The only way I could hold the items for you was to place an order and block it.

I have passed the details to Stuart Edwards and his Chanel Manager and am waiting a reply – would you like the on hold order cancelling until further notice?

Kind regards

Hi Marie

I just tried phoning but nobody picked up – can someone call me please? 01534 768141

You have the 2 x motors on hold for me – awaiting Stuart to advise on price before we proceed. If you look at the below the price seems incorrect.

Just want the correct price advised please asap so I can let my client know before I order?- Thanks Scotty

Hi Scott,

I have emailed Stuart Edwards (your regional sales manager) for prices as there is nothing set on the system for this motor currently.

Stuart is travelling back from R&T so may be in touch Monday at the earliest, apologies for the delay!

Kind regards

Hi Scott,  
Trust you are well,

The closest I could find is a Orea 50 WT 50/12 1118124

This is a 50mm motor.

The only issue is its sold only in a quantity of 4 I believe.

Kind Regards

Hi Scott,  
Trust you are well,

We don't have a like for like I can try get something closet to the spec. but you might need to change the Crown and drive as well.

Also the RPM wont be the same.

Hi Helen

I hope you are well.

I have some awnings with these Orion Motors (30 years ago install approx.)

We need 2 x motors below or the more up to date models which are push button control

Can you please advise on the portal / E Shop which is the correct model for me to quote /advise to my client please?
