Hi Schott,

Ok no problem we can send rope drums free of charge, I have already made a new order for new rope drums.

Please note that when you fitter will be on site they should check diagonal and parallel, look for grinding marks on the trolleys.

Check whether the glides are correctly seated at the top and bottom of the cassette lid/ base or not.

Open the cassette and the front profile cover and move the system, observe the ropes. Check all pulleys for wear and blockage.

If after replacing the rope drums won't fix the issue please take a long video showing moving in and out of the system.

Thanks a lot

Yours sincerely

Tea Evers

In accordance with weinor's General Terms and Conditions of Delivery and Payment, you as a specialist partner are obliged to check whether the delivered goods are complete and undamaged. At the very least, you should ensure that the cartons are complete and undamaged from the outside. This does not relieve you of the above obligation, but it makes it easier for you to detect irregularities. Only if you have the defect confirmed on the delivery note upon receipt of the goods can we grant a refund if necessary after checking the transaction.

Dear weinor partner,

Thank you for ordering a sliding glass wall w17 easy, which consists of various glass elements.

Please note:

Moisture on the glass elements can lead to visual conspicuities, such as condensation marks. Such visual conspicuities can only be avoided if the panes are delivered in a dry condition and it is essential to ensure that the glass elements are stored and transported in a dry condition during subsequent storage or transport to your customers.

If you discover any defects/damage upon delivery, you must notify us immediately and make a notation on the delivery note. Otherwise, the goods will be deemed to have been approved.

Please also note our information on glass in the download center in the specialist partner section.

Your weinor team

Please check your order for correctness of the amount and type of the necessary wall gap sealing profiles and of the post alignment profiles.

.	: ATTENTION! Element is supplied with glass!
