In accordance with weinor's General Terms and Conditions of Delivery and Payment, you as a specialist partner are obliged to check whether the delivered goods are complete and undamaged. At the very least, you should ensure that the cartons are complete and undamaged from the outside. This does not relieve you of the above obligation, but it makes it easier for you to detect irregularities. Only if you have the defect confirmed on the delivery note upon receipt of the goods can we grant a refund if necessary after checking the transaction.

Attention!!!

Please check the order and confirm if the product is what you need.

Dear Customer,

We herewith confirm your order based on the dimensions specified by you.

IMPORTANT: With immediate effect, you can technically release your orders from the weinor E-shop yourself and will be provided with a delivery date immediately. Moreover, it is possible to stop orders in the weinor E-shop independently up to a specific production point.

Trust in fast and safe in the future: Orders possible via the weinor E-shop are processed faster. Additionally, errors are virtually ruled out. The system instantly checks and confirms your configuration for technical feasibility.

Our spoken and written advice focuses on an explanation of the best possible use of our products and services. It does not liberate you from the obligation to check fitness of our products and services for your particular purpose. That includes the inspection of the general condition and especially maximum capacity load of fixing base as well as forwarding all respective information in addition to your order to weinor. That way delivery of the correct type and number of brackets is guaranteed. If our product can not be used as upon agreement due to false or lacking information we or any auxiliary person do accept contractual or non-contractual liabilities only in case of malicious intent or gross negligence.

In addition, our General Terms of Delivery and Payment as per 12/2021, published under the link provided below are valid and we are happy to provide you with them free of charge upon request.

Dear Customer,

We herewith confirm your order based on the dimensions specified by you.

IMPORTANT: With immediate effect, you can technically release your orders from the weinor E-shop yourself and will be provided with a delivery date immediately. Moreover, it is possible to stop orders in the weinor E-shop independently up to a specific production point.

In particular for individual components, things sometimes must go fast.

Your order will become easier and more clear if you compile it in the weinor E-shop in the future. The most important replacement parts and replacement parts sets are shown there. You can order them independently or with reference to your old order. In the latter case, your replacement parts are automatically adapted to your old order, so that the colour, length and version are calculated automatically.

Please observe that we can only name a likely delivery date after your final release. Each change requires re-engineering, thus extending the delivery period.

Please also take into account that changes to an order after release cause costs which we may have to pass on to you.

Please send the release to our telefax no.: +49 221 59709-83602 or E-mail: freigabe@weinor.de

Subject: SO15277 Quote for Braye Beach Hotel, Alderney Awning Servicing

Good Afternoon Doug,

I have been looking at the logistics and costs of sending the team to Alderney to service the awnings at the hotel.

The costing / breakdown below from my findings:

Motor/Receiver £432.00 + GST

Remote Control – £208.00 +GST

Please note we will order these components and if not needed retain as stock items – this is for the awning that is not responding as advised and we can bring with us in preparation. We can reflect on final invoice the cost of each component used.

Labour – Charged at hourly rate £69.00 per hour per fitter including travel time.

Flights – Approx £250.00 per person (2 x Fitters Required)

The schedules for flights are not straight forward as we would need to travel Blue Islands Jersey/Guernsey return and Aurigny Guernsey/Alderney

735am – Jersey to Guernsey

855am – Guernsey to Alderbey

Stay over at Hotel – Provided by HandPicked Hotels FOC to CP Interiors

Next Day Return

1210pm – Alderney to Guernsey

1645pm – Guernsey to Jersey

Transfers - If there is someone who has a car or transport to collect my team from the airport upon arrival it will be appreciated, or we will pay for a taxi and ask for the reimburse of costs.

In the case of Flight One being delayed from Jersey to Guernsey we will not make the connecting flight to Alderney and would have to come on a later flight and look at extending our stay.

We will also require ladders / steps, if some can be provided please it will be a great help.

Please let me know what you think and we can look at dates – subject to lead time on the parts arriving from our supplier.
