<p>**IMPORTANT - READ NOTES BEFORE CUTTING** STUDY - please make with 50mm fabric border in Valletta Pewter to left, right and bottom sides. PLAYROOM - please position Mark Alexander Trio Tempest braid so there is a 50mm distance from edge of braid to edge of blind, braid on left and right sides only. Please make with as narrow hems as possible as unable to get more of this fabric. Total overall drops for 4 blinds = 6.35m which leaves 0.65m for top/bottom hems on 4 blinds. If this is not enough, there is possibility the 2 study blinds could be made from 1 width, split down the middle because both are having 50mm fabric borders on sides and bottom which would reduce the visible Warwick Malabar fabric width by 100mm per blind. Please call me if you have any questions or suggestions. PLEASE MAKE AND DISPATCH ALL BLIND ORDERS AS AND WHEN FABRIC IS RECEIVED (curtains will be ordered once final measured).</p>
