Hi,

On looking at the photographs this awning has a centre support and the cover should've been ordered with a rubbing strip to prevent this damage occurring. Unfortunately this is not covered by our warranty.

Kind regards

Michelle

Hi Michelle

Any thoughts why this may have happened, does the photos give you enough info,

Just would be good to sort going forward if any changes to spec of cover would help.

Thanks

Kind regards,

Dear Torbay

Please can you review the attached photos of an awning cover you replaced for us in 2021 Ref: Bean Around The World Café.

The cover has split at the seam and requires a replacement.

My head fitter has advised the size required is 4830 x 2400mm – I have attached the order from the original fabric sent 2021.

Please can you advise if this will be replaced FOC under warranty? We have inspected and client has used to required safety and care measures.

I look forward to hearing from you.

Kind regards,

Scotty
