**Subject:** S015243 Quote For Repair - Renson

Hi Simon

Been working on this throughout today. Ben and I have located the parts required for the structure, and also the glass.

**As below Prices:**

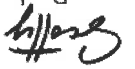

**Glass** - £745.00 inc Delivery + GST  
**Renson Parts / Components** inc Delivery - £264.00 + GST

**Labour** – Hourly Rate @ £69.00 per hour per fitter. – Ben has advised that it should take the best part of a whole day for 3 x fitters. So Looking approx. £1,656.00 for a whole day, but could be finished sooner – hard to give exact time frame.

A 50% deposit would be required for the Parts to proceed with the order – with a lead time of approx. 3 weeks delivery = £529.23

If you wish to proceed, please let me know at your earliest convenience.

Kind regards,

Ruderham
