Subject: SO15534 Awning Motor Issue - New Motor

Good Afternoon Vicky,

Just following up from this morning's fitting.

My team have fitted the awnings but had to bring the larger one back as the motor inside the awning has failed.

It can happen after so many years when you remove the motor and attempt to reset the limits with new fabrics. Your motor is over 8 years old and will need replacing.

The cost of a new motor including fitting would be £606.88

If you wish to proceed I can get this ordered as soon as you acknowledge and should be down within 1 week.

Please let me know what you would like to do at your convenience.

Kind regards,

Ruderham
