Dear Customer,

We herewith confirm your order based on the dimensions specified by you.

IMPORTANT: With immediate effect, you can technically release your orders from the weinor E-shop yourself and will be provided with a delivery date immediately. Moreover, it is possible to stop orders in the weinor E-shop independently up to a specific production point.

In particular for individual components, things sometimes must go fast.

Your order will become easier and more clear if you compile it in the weinor E-shop in the future. The most important replacement parts and replacement parts sets are shown there. You can order them independently or with reference to your old order. In the latter case, your replacement parts are automatically adapted to your old order, so that the colour, length and version are calculated automatically.

Please observe that we can only name a likely delivery date after your final release. Each change requires re-engineering, thus extending the delivery period. Please also take into account that changes to an order after release cause costs which we may have to pass on to you.

Please send the release to our telefax no.: +49 221 59709-83602 or E-mail: freigabe@weinor.de

Many thanks!
