Tamara,

so sorry about this, i remembered the saying measure twice cut once...so i went and remeasured the blinds and I found i had made a small mistake, the six identical windows are not quite the same so to confirm all the measurements are now:

4 windows: drop of **1040**, width of top is **610** width of slats is **600**  
2 windows: drop of **1040**, width of top is **615**, width of slats is **600**  
1 window: drop of **810**, width of top is **610**, width of slats is **590**  
1 patio door, drop of **2070**, width of top is **1520**, split blinds, width of slats is **730** each

any questions, call me on 07797 750410

Paul
