Hi Rachel

Sure, the cost for the cover with piping and foam made to size would be £232.19 including delivery.

You will need 3m of fabric.

Kind Regards

Good morning Cy,

I believe you have been liaising with Leeana about some works and she has passed me on your email as I too have something that needs quoting.

Am after a bench cushion, piped, 1390mm x 350mm with 75mm foam.

Could you please advise a price and quantity of fabric required?

Look forward to hearing from you!

Kind Regards

Rachel
