Please note: This quotation is only valid for acceptance for 7 days. Our estimate does not include any electrical work or additional carpentry work to install the above unless otherwise specified. Please note there is a handling charge on customer own fabric of £5 per metre. Due to high costs of labour, pre-arranged missed fitting appointments will be charged on a time-wasted basis. Settlement is due on completion of works and an administration charge of £25 will be added per month if unpaid within 30 days. We reserve the right to charge for design, advice and liaison work carried out should an order not be placed. Goods remain the property of CP Interiors until full settlement is received. Should payment not be received we reserve the right to attend premises during working hours to remove goods and not be required to make good. Our full terms and conditions apply and are available on request.

Last order 2023: CTS roof blind + blackout upgrade + Standard hardwired motor (Sky motor, no additional charge) - shelf (deducted).

↳ because it was too narrow for the Somfy motor.

For this one 85 box is enough. If we want blind to sand the same and operate at same speed, Universal receiver for FTS blinds and others (universal). Otherwise we can upgrade to Somfy Sonesse 40 @ £195 per motor (quieter but slower).
