In accordance with weinor's General Terms and Conditions of Delivery and Payment, you as a specialist partner are obliged to check whether the delivered goods are complete and undamaged. At the very least, you should ensure that the cartons are complete and undamaged from the outside. This does not relieve you of the above obligation, but it makes it easier for you to detect irregularities. Only if you have the defect confirmed on the delivery note upon receipt of the goods can we grant a refund if necessary after checking the transaction.

Good Morning Scott,

You have informed us regarding noisy Sottezza.

Thank you for sending the video.

It seems that there is an issue with fabric guide profiles, therefore we are preparing to send a new pair of fabric guide profiles free of charge, as a goodwill gesture.

Please note that condition of the original rope and rope drums must be checked during replacing the original fabric guide profiles.

If you have any questions, please don't hesitate to contact us.

Yours sincerely

Tea Evers
