Subject: RE: SO15922 Maloney - Faulty Dura basket - replacement

Hi Scott,

That does look like it could do someone an injury! Please accept our apologies. I haven't seen that before but looks like a manufacturing fault.

We shall replace 1 x shallow basket (DUAS-201) for you ASAP.

Can you please confirm where we should send this and for who's attention?

Do you need to order any other accessories or anything else now?

Thank you.

Best wishes,
Jenny Faulds
