Dear Customer,

We herewith confirm your order based on the dimensions specified by you.

IMPORTANT: With immediate effect, you can technically release your orders from the weinor E-shop yourself and will be provided with a delivery date immediately.
Moreover, it is possible to stop orders in the weinor E-shop independently up to a specific production point.

In particular for individual components, things sometimes must go fast.

Your order will become easier and more clear if you compile it in the weinor E-shop in the future. The most important replacement parts and replacement parts sets are shown there. You can order them independently or with reference to your old order. In the latter case, your replacement parts are automatically adapted to your old order, so that the colour, length and version are calculated automatically.

Please observe that we can only name a likely delivery date after your final release. Each change requires re-engineering, thus extending the delivery period.

Please also take into account that changes to an order after release cause costs which we may have to pass on to you.

Please send the release to our telefax no.: +49 221 59709-83602 or E-mail:
freigabe@weinor.de

Many thanks!

Subject: Awning Repair

Good morning.

You sent me a quotation on 29/08/24 reference S015989 contact Scott for the repair of our outside awning.

I would like to accept your quotation and arrange the repair.

I am away from Jersey at the moment but will be back on 11th December.

Could the repair be done soon after that?

I see that you require 50% of the cost upfront and could pay this by credit card if that is okay?

I look for your advice.

Many thanks.

Good Morning Will

I hope you had a good weekend!

I have a client -address: 16 West Park Apartments – Mr Andrew Thorpe.

We attended as he inherited 2 x awnings and one of the motors has failed.
